

December 15, 2011

To: Clackamas County Commissioners
Jason Tell, O.D.O.T. Region One
Richard W. Watanabe, O.D.O.T Metro East Area Manager
Region One

CC: Douglas Bish, PE for O.D.O.T.
Cam Gilmour, Transportation and Development Department Director
Chris Roth, Hamlet and Villages Liaison

BCC: Hamlets and Villages of Clackamas County

From: REACT (Rural Equity Area Commission on Transportation))

Subject: Proposed OAR 734-020-2202-0500 regarding traffic signals and parking

Our County liaison, Chris Roth, informed REACT of several proposed traffic rule changes with a closing date of December 21, 2011. Douglas Bish of ODOT has responded to our concerns and offered to meet with us and delay the rule changes until that opportunity. By copy to Mr. Bish, we are requesting a meeting in early January, or at his earliest convenience.

REACT appreciates the opportunity to clarify and comment on these proposed changes. As these changes could have serious consequences in our affected areas we feel this is an issue that needs more study time by all of the affected parties.

Thank you for your continued support of the Hamlets and Villages as represented by REACT.
