To The Board of County Commissioners, I would like to serve on the Board of Directors for The Villages @ Mt Hood because I believe that this is a great community and would like to see it thrive and grow as well as create new opportunity for our future generations. One thing that I feel needs work is to unite our community towards the same goals and I would like the opportunity to be a part of that. I have served on the Mt Hood Area Chamber of Commerce board or Directors for 8 years as Chair, VP of Membership, VP of Marketing and currently as Secretary I have also served on the Villages of Mt Hood Tourism Marketing Alliance since it's conception. I feel that having served in these area's I would be a great asset to this board and could maybe help bridge the gap between these organizations. I look forward to the opportunity of serving the community once more and together we can achieve our goals for the better of this community Thank You for considering my application. Carol Burk
